

1 THANK YOU

Thank you for downloading our printable.

2 WHAT'S INSIDE?

This printable consists of:

- Colour sized A4 (secondary colours)
- 6 autumn themed objects with matching colours

3 WHAT'S THE BEST WAY TO USE THIS PRINTABLE?

Print out both pages of the printable (page 2 and 3). Laminate them. Cut out the colour wheel and the images on page. Let your child match them to the colour wheel based on their colours. Alternatively, glue the images to 6 individual pegs and let your child practice their fine motor skills by pinning them to the colour wheel.
