

## 1 THANK YOU

Thank you for downloading our printable.

## 2 WHAT'S INSIDE?

This printable consists of:

- *Small, medium, large images to cut out*
- *Small, medium, large table*

## 3 WHAT'S THE BEST WAY TO USE THIS PRINTABLE?

Print out all three pages of the printable (page 2, 3 and 4). Laminate them (this is optional, but recommended). Cut out the images on page 2 and 3. Ask your child to sort them based on their size.

## 4 CAN I SHARE THIS PRINTABLE?

You are welcome to share this printable by sending your friends the following link:

<http://maxandnaoli.com/portfolio/small-medium-large>

It would also be lovely to hear from you, let us know how you use the printable, send us photos etc.

## 5 WHERE CAN I FIND MORE OF YOUR PRINTABLES?

You can find all our printables on our [website](#) and on [Teachers Pay Teachers](#). Would you like to receive our weekly emails with **freebies & special deals**? Then sign up to **our newsletter** [here](#). You will also receive a **15% discount code** on all our products. If you spot any mistakes in our materials, please send me a quick message to [hello@maxandnaoli.com](mailto:hello@maxandnaoli.com)

Let's keep in touch and enjoy!

 Anita

# Small, medium, large

Print and cut the apples and hedgehogs. Based on their size, sort them in the chart.

	<i>small</i>
	<i>medium</i>
	<i>large</i>

Visit our website [www.maxandnaoli.com](http://www.maxandnaoli.com) for more printables and great quality educational materials.
